Mini Project

Task 7

Title of the project: Agriport

Aim: Complete Frontend implementation of the project.

The image shows a web registration form for 'Agriport'. The form is centered on a background with a colorful confetti pattern. At the top, there is a dark header bar with the text 'Agriport' on the left and a hamburger menu icon on the right. Below the header, there is a user icon with a plus sign and the text 'Join Us'. The form consists of five input fields: a first name field containing 'mcmzdcv', a last name field containing 'xmznmv', an email field containing 'nKMS', a password field containing 'ABDJAS', and a confirm password field with masked characters '.....'. Below these fields is a dark 'Register' button. Under the button, there is a link that says 'Already Have an Account Login Now'. At the bottom of the form, there are social media icons for GitHub and LinkedIn. The footer of the page is dark and contains the copyright text '© 2023 | Design By Vaibhavi Tandon'.
